

North Shore Health Department Public Briefing

October 14th, 2020 as of 4:30 p.m.

Drive-Thru COVID-19 Testing at Miller Park

Starting Monday, October 19th

HOURS: Monday - Friday from 11am - 6pm
Miller Park parking lots, 1 Brewers Way

**Free drive-thru testing
NO APPOINTMENT NEEDED**

The Custer Stadium and UMOs sites are open through October 17th and will then be consolidated into the Miller Park site.

As COVID-19 continues, it may be possible that you or a member of your household tests positive. In order to prevent the spread within a shared household and protect those who are most vulnerable, follow some of these tips:

- **Provide a separate bedroom and bathroom** for sick person. If this is not possible, try to keep the sick person as far from other household members as possible – especially those who are most at risk
- **Have one person designated as the caregiver** (cleaning, bringing food, etc.) for the sick person – this household member should also limit contact with other household members as much as possible
- **Maintain at least a 6ft distance** between the sick person and other members of the household
- **If you need to share a bedroom with someone who is sick** – make sure the room as good air flow, maintain at least 6ft between beds, sleep head to toe, place a physical divider between beds
- **If you need to share a bathroom with someone who is sick** – the person who is sick should disinfect frequently touched surfaces. If this is not possible, the person who does the cleaning should use ventilating fans to increase air circulation and wait if possible before entering room to clean and disinfect or to use the bathroom
- The sick member of the household should not prepare food and should eat separately from the household members

COVID-19 Cases to Date

North Shore (Bayside, Brown Deer, Fox Point, Glendale, River Hills, Shorewood & Whitefish Bay) - as of October 14th
Changes from 10/13. This data is also available on our [website](#).
