

North Shore Health Department Public Briefing

October 15th, 2020 as of 4:30 p.m.

North Shore Health Department Halloween Guidance: [Click Here](#)

Additional Halloween guidance can be found on the Wisconsin DHS website: [Click Here](#)

We recommend these alternate Halloween celebrations:

- Hold virtual costume contests and parties. Dress up. Get online with friends and other families to celebrate and rate each other's costumes.
- Increase what you do at home to celebrate. Decorate where you live. Get the kids involved in making decorations. Bake Halloween-themed treats. Watch scary movies with your family, household, or as a group online.
- Instead of the usual close contact in a confined space, visit (or create!) a drive-through haunted house experience.
- If your community hosts trick-or-treating this year, do it more safely. Leave individual grab bags (or paper cups) filled with goodies outside your door for children to take. If you can, watch and wave to trick-or-treaters through a window. Or, leave Halloween treats outside the door where friends and loved ones live for a contact-free way of celebrating.

COVID-19 Testing Sites:

- Custer Stadium and UMOs National Guard sites will close after October 17th.
- **Opening October 19th - Miller Park:** Drive-Thru Community Testing Site – **Hours:** Monday-Friday, 11am-6pm. *Free and no appointment needed.*
- **City of Milwaukee - Northwest Health Center** - 7630 W. Mill Road (Drive-thru garage – Enter at Mill Road Library, 6431 N. 76th St.) – **Hours:** Monday, Tuesday, Thursday, Friday 9am-3pm and Wednesday 10am-6pm.

Getting a flu vaccine is more important than ever during 2020-2021 flu season to protect yourself, your family and your community from flu, and to keep the hospital systems from being overwhelmed with flu and COVID-19. Prevent flu this season by rolling up your sleeve for your annual flu vaccine. The CDC recommends everyone get their flu shot by October 31st if possible. [More information.](#)

COVID-19 Cases to Date

North Shore (Bayside, Brown Deer, Fox Point, Glendale, River Hills, Shorewood & Whitefish Bay) - as of October 15th Changes from 10/14. This data is also available on our [website](#).

1,367 Cumulative Confirmed Cases* (+16)

**Confirmed with PCR test.*

188 active cases (+5)

1,159 recovered cases (+10)

20 deaths (+1)

The previous transfer category with one case was added to recovered cases.

32 Antigen Positives**

***Positive with rapid-antigen test.*

15 active antigen positives

17 recovered cases

Cumulative Confirmed Cases by Community

Bayside	85
Brown Deer	316
