If you test positive for COVID-19, notify your close contacts. Due to the high number of new COVID-19 cases in the North Shore, we urge anyone that tests positive for COVID-19 to notify people they were in close contact with of their possible exposure.

WI Department of Health Services: [How To Notify Close Contacts](#)

Notify your contacts anonymously with this tool - [tellyourcontacts.org](https://www.dhs.gov/tellyourcontacts)

What to do if you are diagnosed with COVID-19 or were in close contact with a positive case - [Wisconsin DHS Website](#)
If you are identified as a close contact, you should quarantine for 14 days and monitor for symptoms: [Click Here](#)

IF YOU TEST POSITIVE FOR COVID-19, YOU SHOULD NOTIFY YOUR CLOSE CONTACTS OF THEIR POTENTIAL EXPOSURE.

Due to the high number of new COVID-19 cases in the North Shore, we urge anyone that tests positive to notify their close contacts to help in our contact tracing efforts.

It is recommended that close contacts quarantine in their home for 14 days from the date of last exposure.

Visit our website for more information on contact notification.
