

North Shore Health Department Public Briefing

October 28th, 2020 as of 4:00 p.m.

North Shore Health Department Halloween Guidance: [Click Here](#)

Additional Halloween guidance can be found on the Wisconsin DHS website: [Click Here](#)

We recommend these alternate Halloween celebrations:

- Hold virtual costume contests and parties. Dress up. Get online with friends and other families to celebrate and rate each other's costumes.
- Increase what you do at home to celebrate. Decorate where you live. Get the kids involved in making decorations. Bake Halloween-themed treats. Watch scary movies with your family, household, or as a group online.
- Instead of the usual close contact in a confined space, visit (or create!) a drive-through haunted house experience.
- If your community hosts trick-or-treating this year, do it more safely. Leave individual grab bags (or paper cups) filled with goodies outside your door for children to take. If you can, watch and wave to trick-or-treaters through a window or leave Halloween treats outside the door where friends and loved ones live for a contact-free way of celebrating.

If you test positive for COVID-19, notify your close contacts. Due to the high number of new COVID-19 cases in the North Shore, we urge anyone that tests positive for COVID-19 to notify people they were in close contact with of their possible exposure.

Notify your contacts anonymously with this tool - tellyourcontacts.org

What to do if you are diagnosed with COVID-19 or were in close contact with a positive case - [Wisconsin DHS Website](#)
If you are identified as a close contact, you should quarantine for 14 days and monitor for symptoms: [Click Here](#)

COVID-19 Cases to Date

North Shore (Bayside, Brown Deer, Fox Point, Glendale, River Hills, Shorewood & Whitefish Bay) - as of October 28th
Changes from 10/27. This data is also available on our [website](#).

1,746 Cumulative Confirmed Cases* (+46)

**Confirmed with PCR test.*

324 active cases (+29)

1,400 recovered cases (+17)

22 deaths (+0)

45 Antigen Positives (+0)**

***Positive with rapid-antigen test.*

14 active antigen positives

31 recovered cases

Cumulative Confirmed Cases by Community

Bayside	110
Brown Deer	394
Fox Point	152
Glendale	433
River Hills	46
Shorewood	308
Whitefish Bay	303

The antigen positives may be confirmed with a PCR test – if the PCR test is positive, they are added to the confirmed cases. If the PCR test is negative, they are no longer considered antigen positive.

Milwaukee County (as of October 28th – changes from day before)

40,609 Cumulative Confirmed Cases (+466)

313,430 negatives (+955)

582 deaths (+7)

Wisconsin (as of October 28th – changes reported by WI DHS)

210,126 Cumulative Confirmed Cases (+3,815)

43,468 active cases

1,795,161 negatives (+6,003)

1,897 deaths (+45)

10,810 ever hospitalized (+174) Percent ever hospitalized = 5.1%

IF YOU TEST POSITIVE FOR COVID-19, YOU SHOULD NOTIFY YOUR CLOSE CONTACTS OF THEIR POTENTIAL EXPOSURE.

Due to the high number of new COVID-19 cases in the North Shore, we urge anyone that tests positive to notify their close contacts to help in our contact tracing efforts.

It is recommended that close contacts quarantine in their home for 14 days from the date of last exposure.

Visit our website for more information on contact notification.
