

North Shore Health Department Public Briefing

November 18th, 2020 as of 4:00 p.m.

The North Shore Health Department has \$10 flu shots and flu mist for those 18 and under available through November. We also have flu vaccines available for adults. Cost: \$40 for quadrivalent, \$45 for preservative free quadrivalent, and \$70 for high-dose (limited quantity). We accept payment by cash or check and are also able to bill Medicare and some private insurance (call for details).

You must make an appointment to get a flu vaccine this year. Please call 414-371-2980.

Holiday Guidance from WI DHS:

Holidays are often when family, friends, and neighbors come together to celebrate each other and share a meal. In order to stop the spread of COVID-19 and keep your friends and family safe, consider the following guidance for your celebrations. We continue to recommend avoiding gatherings with people you do not live with. Furthermore, travel increases your chance of getting and spreading the virus that causes COVID-19. If you must travel, be informed of the risks involved. Staying home and celebrating with those in your household is the best way to protect yourself and others. Visit [Wisconsin DHS](#) to learn more about DHS holiday guidance.
