

North Shore Health Department Public Briefing

November 2nd, 2020 as of 5:00 p.m.

Curbside voting for people with COVID-19: <https://elections.wi.gov/node/7058>

Contact your municipal clerk to find out what your polling place offers for curbside voting: <https://myvote.wi.gov/en-us/MyMunicipalClerk>

The North Shore is in Phase B of our reopening plan. With the rising numbers of cases and our key indicators no longer reflecting conditions where it is safe to participate in non-essential public gatherings and outings, the North Shore Health Department, along with other suburban Milwaukee County Health Departments are now strongly recommending all residents and business fall back to [PHASE B of the Safe Opening Capacity Guidance effective October 30, 2020](#).

Our top priority is to keep our residents, visitors, and businesses healthy and safe during this health crisis. We hope these efforts will help to keep our friends, neighbors, relatives, and co-workers in a safer environment moving forward.

See detailed [Phase B Guidelines](#) and the [Phases Summary Table](#).

COVID-19 Cases to Date
