

# North Shore Health Department Public Briefing

November 23<sup>rd</sup>, 2020 as of 4:00 p.m.

**WI Office of Children’s Mental Health: Guidance and Ideas for the 2020 Holidays.** The 2020 holidays are going to be different. With the advice being to stay home, be safe, and help stop the spread of COVID-19, we offer suggestions on how to make the holidays still meaningful and fulfilling: [Click Here](#)

**Hunting this season?** It is recommended you stay close to home, avoid social gatherings or crowded restaurants & bars, and limit your hunting crew to just your household. If you hunt with others outside your home, keep your group size small, wear cloth face coverings, keep physical distance between yourself and others, and wash your hands.

## Hosting a Thanksgiving Gathering

If having guests to your home, be sure that people follow the steps that everyone can take to make Thanksgiving safer. Other steps you can take include:

- Have a small outdoor meal with family and friends who live in your community.
- Limit the number of guests.
- Have conversations with guests ahead of time to set expectations for celebrating together.
- Clean and disinfect frequently touched surfaces and items between use.
- If celebrating indoors, make sure to open windows.
- Limit the number of people in food preparation areas.
- Have guests bring their own food and drink.
- If sharing food, have one person serve food and use single-use options, like plastic utensils.
