

North Shore Health Department Public Briefing

January 25th, 2021 as of 4:00 p.m.

Stay up-to-date on vaccination efforts in Milwaukee County – register for updates:

<https://www.healthymke.com/register>. This website also helps to identify and link “unaffiliated” Phase 1A Health Care Personnel (HCP) in Milwaukee County with participating vaccinator organizations (Vaccinators). If you are an approved COVID-19 vaccinator, register to find Phase 1A organizations in need of vaccine. If you are a Phase 1A organization that needs to be vaccinated, you can register online to help make a connection with a vaccinator.

NSHD Vaccine Clinics

The details of future NSHD COVID-19 vaccine clinics will be announced on a weekly basis based on the availability of vaccine supply. Once we receive confirmation of our vaccine supply from the Wisconsin Department of Health Services, we will send notification about who NSHD will be vaccinating during this week. Please do not contact our office to make an appointment or be put on a waiting list. On Friday, January 29th we will send a notice out detailing how to sign up for clinics scheduled the week of February 1st. Notice will be sent through the North Shore Vaccine Updates email list and through our website when we know what our vaccine supply for the week will be.

To sign up for email notifications from the North Shore Health Department regarding vaccination clinics visit our [website](#). Or click [this link](#) to sign up directly.

VACCINE UPDATES EMAIL LIST

If you are NOT in Phase 1A, please complete the form at the provided link. Once we have received your information, you will be added to our distribution list for updates and information.

Completing this form does not guarantee you will be vaccinated by the health department.

COVID-19 Cases to Date

North Shore (Bayside, Brown Deer, Fox Point, Glendale, River Hills, Shorewood & Whitefish Bay) - as of January 25th Changes from 1/22. This data is also available on our [website](#).
