

North Shore Health Department Public Briefing

March 1st, 2021 as of 4:00 p.m.

Our COVID-19 vaccine appointments are full for the week of March 1st. We make appointments on a weekly basis because the number of doses of vaccine we receive varies each week. A new link will be sent out on Monday, March 8th to schedule appointments for that week.

Walgreens COVID-19 Vaccinations: Select locations are providing the vaccine to currently eligible populations in Wisconsin.

To see if you are eligible and to find an appointment:

- 1.
2. Sign in to your Walgreens.com pharmacy account. Don't have an account? No problem. Creating one is quick and easy.
3. Complete a short eligibility screening.
4. If you are eligible, they will look for available appointments in your area for your COVID-19 vaccination appointment.

Other options to check eligibility:

- Call 1-800-WALGREENS and select Option 1; or
- Call your local Walgreens pharmacy.

Health Connections COVID-19 Testing:

- All testing is drive thru.
- No appointment needed but you must pre-register at register.covidconnect.wi.gov
- Please bring a government issued ID.
- Everyone will be tested regardless of symptoms, age, or insurance
- Dates and times are subject to change based on weather.
- Test are done at East Lake Towers, 4425 N. Port Washington Road, Glendale, WI 53212
