

North Shore Health Department Public Briefing

March 30th, 2021 as of 3:30 p.m.

1 million Wisconsinites have completed their COVID-19 vaccine series, and we want to thank everyone involved in the effort to get shots in arms.

Wisconsin leads the nation in getting available shots in arms, and today the State announced that everyone 16 and older will be eligible to receive a COVID-19 vaccine starting next week.

NSHD COVID-19 Vaccine Clinics on April 1:

On Thursday, April 1st, we will be giving the Johnson & Johnson vaccine at our Brown Deer and Shorewood locations.

Information About Johnson & Johnson's Janssen COVID-19 Vaccine:

The J&J/Janssen vaccine had high efficacy at preventing hospitalization and death in people who did get sick. No one who got COVID-19 at least 4 weeks after receiving the J&J/Janssen vaccine had to be hospitalized. [Read the Clinical Trial.](#)

Type of vaccine: Viral vector - Learn more [about how COVID-19 vaccines work](#) and get a better [understanding of COVID-19 viral vector vaccines.](#)

Number of shots: 1 shot

How given: Shot in the muscle of the upper arm.

Does not contain: Eggs, Preservatives or Latex.
