

May 8th, 2020 Update on COVID-19 (as of 4:45 pm)

The Centers for Disease Control and Prevention (CDC), the Wisconsin Department of Health Services (WI DHS) and the North Shore Health Department (NSHD), along with other local health departments are responding to the COVID-19 disease outbreak caused by a novel coronavirus.

We are currently monitoring 18 active cases in the North Shore, and we are also providing active monitoring for high-risk contacts of confirmed cases. We have triaged and processed over 1,471 suspect cases and/or contacts and performed several large contact investigations. We are also managing several active cases in Milwaukee to assist the Milwaukee Health Department.

If you are experiencing symptoms of COVID-19, testing is now available at the Milwaukee Community Health Centers: [Click Here](#) for more information.

Safe Business Practices: Governor Evers announced new best practice and safety guidelines for Wisconsin businesses as many prepare to reopen. The guidelines include general recommendations for all businesses to follow as well as industry-specific advice, such as for restaurants, retailers, manufacturers, professional offices, farmers, manufacturers, builders, hotel and motel operators, barbers, personal care services and other fields.
