COVID-19 Testing in MKE: [Click Here](#)

The National Guard testing sites at Custer Stadium and UMOS will be closed July 2nd – July 5th.

COVID-19 Community Survey: The North Shore Health Department (NSHD) with the collaboration of UW Milwaukee Zilber School of Public Health is conducting a community survey to learn how the residents of the North Shore feel about the response

of the NSHD to the COVID-19 pandemic. The ultimate goal is to learn how we, the NSHD, can improve our response in future emergency situations. The survey is online and can be accessed with this link: [Click Here](#)

This is a rapidly evolving situation and we encourage you to frequently monitor the [DHS website for updates](#), as well as the [NSHD website](#). Additional information on COVID-19 can be found on the [CDC website](#).

NUMBER OF NEW COVID-19 TEST RESULTS (POS OR NEG) RECEIVED BY DAY, AND % POSITIVE (3 DAY ROLLING AVERAGE)

This graph displays the total number of positive and negative test results received per day in the North Shore, the percent of test results that were positive (3 day rolling average), and a linear trendline of the percent positive for the last 14 days. A total of approximately 5,665 COVID-19 tests have been conducted in the North Shore as of 2:00 p.m. on June 26th. With a population of approximately 65,000 in the North Shore, this indicates that 8.7% of the North Shore population has been tested at this time.
