The North Shore remains in Phase C of the reopening plan: Businesses, organizations and residents should continue to follow the Phase C guidelines on our [website](#).

Were you tested at a National Guard COVID-19 testing site? Have you been waiting more than 5 days for your test results? Do you need a copy of your test results? Get your results by calling the Wisconsin COVID-19 Results Line at **(866)419-6988**. The COVID-19 Results Line is open Monday-Friday from 8am-6pm.

Once you call, you'll need to provide:

- The date of your test,
- The National Guard testing site you visited
- Your name, and
- Your date of birth.

In addition to getting your results over the phone, the Results Line can mail you your test results. They are working on setting up a system to e-mail results in the near future.

Please wait to call the Results Line until 5 days after your test. If you call before the 5-day mark, they cannot guarantee your results will be ready.

If you receive a call from an unknown number, it is possible it is a contact tracer from WI DHS or the NSHD looking to get ahold of you. If you miss the call, be sure to check your voicemail and get back to them as soon as you can. Efficient contact tracing is essential to slow the spread of COVID-19.
