What is required under Emergency Order #1?

- Face coverings should be worn whenever indoors or in an enclosed space, other than at a private residence.
- Face coverings should be worn any time another person who is not a member of your household or living unit is present in the same room or enclosed space.
- Face coverings are strongly recommended in all other settings, including outdoors when it is not possible to maintain physical distancing.
- Face coverings should be worn by anyone over the age of 5 years old who does not have a medical condition, disability, or other sensory sensitivities that prevents it.
