

August 24th, 2020 as of 4:00 p.m.

Asthma, Kids and COVID-19: Kids with asthma can have extra challenges during COVID-19. If your school building is reopening, prepare your kids – have them wear a mask, discuss school safety protocols, and bring medications and an asthma action plan to the school nurse. More at dhs.wisconsin.gov/asthma

DPI revised send home from school protocol found in the Infection Control and Mitigation Toolkit: Many other resources are also available for parents and schools in the toolkit - [DPI School Health Services Interim COVID-19 Infection Control and Mitigation Toolkit](#).

Our flu clinic dates will be released soon! All our clinics will be by appointment this year. When clinic dates are released, you can make an appointment by calling 414-371-2980.
