

COVID-19 Vaccine Clinic

At the University of Wisconsin - Milwaukee

Our vaccination program continues to be informed by federal and state guidelines in a phased approach. There is no waiting list and walk-ins are not accepted.

Who is eligible?

- ✓ Adults age 65 and older
- ✓ Educators and child care staff
- ✓ Frontline and non-frontline essential health care personnel
- ✓ Police and fire personnel
- ✓ Residents and staff in skilled nursing and long-term care facilities
- ✓ Some public facing essential workers
- ✓ Individuals enrolled in Medicaid long-term care programs
- ✓ Congregate living facility staff and residents

If eligible, sign up for a vaccination appointment:

1 Visit uwm.edu/vaccination to fill out the interest form.

The form is only available when there are available doses. If you can't access the form, check back regularly. Vaccine supply is limited.

2 Watch your email to schedule an appointment.

You'll receive an email from Advocate Aurora Health within two weeks of completing the vaccination interest form. Use the personalized code in the email and follow the instructions to schedule an appointment.
